Tab Case Plus 12

Ultra slim case for notebook and tablet

With its slim design, Tab Case Plus perfectly fits every 12" notebook. This neoprene sleeve is equipped with a zipper closure and snug-fitting elastic bands to secure the notebook in place. The flexible material allows the usage of the notebook without moving it out of the case. This is very convenient when working in a limited space.

The padded handles ensure comfortable transportation but are still slim enough to not add any bulk for the occasions you want to put the sleeve inside another bag. With its EVA formed shell, Tab Case Plus protects your notebook from scratches and other minor damages. The elastic front pocket offers enough space to store mobile accessories and any other personal belongings.

Screen size:	11 inches
Art.No:	D30991
